EXPERIENCE THE POSITIVITY

At the outset, we would like to express our gratitude for the trust you have placed in ALLEN career institute. This is a golden age for career education. It is not a preparation for the exam; it is to prepare for life itself. At ALLEN, value-based knowledge is the true aim of education that we impart to our students.

As a parent, you want the best for your child, and we are happy to be working with you to make sure that they are given the true knowledge to face the challenges in their career. The talent and the energy which our students possess need to be nurtured, shaped, and channeled in the right direction.

An important role ALLEN plays at this end is to link depth and breadth of energy and experience to the enthusiasm and intelligence of this generation of achievers. Our combined efforts would bring out not only the best in their careers but the best in their lives. In this way, we hope to support not only individuals but also the entire society from which we all benefit.

We wish you a very rewarding experience at ALLEN!

Best Regards

At ALLEN, students are considered sparks of divinity, and teaching is considered a dedicated service to divinity. An extraordinary combination of spiritual values and modern technology is what ALLEN.

Together, we will make a difference.

ALLEN® DISTANCE LEARNING PROGRAMME

ALL INDIA TEST SERIES

We believe that "No preparation is complete until it is self-evaluated and properly assessed".

To help students complete their preparation with exhaustive self-evaluation and assessment, the Test Series provides students with 'Multiconceptual problems' to exercise their brains and give them a simulation of the actual exams. The Tests focus on Time Management by improving their question-solving speed through time-bound practice with accuracy.

(a) About Course :

i. ALLEN provides Test Series for JEE (Main), JEE (Main + Advanced) & NEET (UG) at more than **230 Centers** in all over India.

ii. Test Series is also available in postal mode. The objective of the **All India Test Series** is to help students develop relevant skills needed to crack the competitive examinations.

(b) Mode of exam :

i. The Test Series of JEE (Main) & JEE (Main + Advanced) has both Computer Based Tests and Pen-Paper Mode Tests to give the actual simulation of the exam.

ii. The Test Series of NEET (UG) is conducted in Pen-Paper Mode.

(c) Result Platform :

Result through Systematic Analysis of Test (D-SAT) gives a fair idea of their strengths and the areas in which they need to work upon.

(d) Features :

i. There are 4 different types of tests, planned in a well-structured manner namely, UNIT TEST, REVIEW TEST (QUARTER & HALF SYLLABUS), FULL SYLLABUS TEST & ALL INDIA OPEN TEST.

ii. Tests provide 360° performance evaluation to the students so that they can prepare for the exams accordingly.

iii. The Test Series is specially designed to reflect the tentative score of a student in the final exam by providing them Peer & State wise comparison report with their All India Rank.

STUDY MATERIAL

The comprehensive study material is prepared by the most experienced faculties of ALLEN which focuses on developing advanced level skills in students.

(a) About Course :

It intends to provide extensive support in the preparation of students for prestigious exams like JEE (Main+Advanced), JEE (Main), NEET(UG), Pre-Nurture (Class VI to VIII) and Career Foundation (Class IX & X), National/International Olympiads/NTSE etc.

(b) Features :

I. Deeply researched content by ALLEN academic experts to build a strong foundation among young pool and boost their confidence in facing the national level competition.

ii. Constantly developed content helps students to keep pace with the changing syllabus.

iii. Qualitative questions & solutions, Subject wise & topic wise Question Bank based on latest pattern, in addition to previous year question papers and Formula booklets.

iv. The advance level problems along with each topic give the students an in-depth understanding of the particular subject.

COMPUTER BASED TEST (CBT)

ALLEN conducts **CBT** at a well-equipped lab to mimic the real-time scenarios. It helps those students who are preparing for Engineering Entrance Exams. ALLEN conducts CBT at more than **190 cities** all over India. ALLEN aims at providing a real-time feel to the students by giving them the exact simulation of the main exam.

(a) About Course :

All Major Examinations like JEE (Main) & JEE (Advanced) have migrated to Computer-Based Platform. Thus, ALLEN introduced the **Computer Based Test** (CBT) Series for JEE (Main) & JEE (Main + Advanced).

(b) Result Platform :

Ranks are given at the national level with Systematic Analysis of Test on D-SAT (Web/App) to give a fair analysis of strengths and weaknesses.

(c) Features :

i. There are three different types of tests planned in a well-structured manner namely, REVIEW TEST (QUARTER & HALF SYLLABUS), FULL SYLLABUS TEST AND ALL INDIA OPEN TESTS.

ii. Students get a similar interface which makes them acquainted with the Computer Based Test platform.

iii. Focus on Time Management to help the student prepare the right strategy for the main exam.

iv. The Test is conducted at a well-equipped lab to mimic the real-time scenarios.

v. Tests provide 360° performance evaluation to the students so that they can prepare for the exams accordingly.

D·SAT

(Systematic Analysis of Test for DLP Students)

For multidimensional performance analysis of **distance students**

Subject Wise Analysis
· My Marks · Current Topper's · Avg Marks ·

The students and parents can review the detailed analysis of the student's performance on

dsat.allen.ac.in

with various scientific & analytical features which are as follows:

Score Card

Gives the quantitative performance of the student in the tests. The score card provides a brief review of the overall score, subject scores, percentage wise, difficulty V/S marks distribution and ranks obtained (subject wise & overall).

Question Wise Report

This report provides summary of all questions attempted (by all students). This will unveil the relative performance of the student in a question, wherein student will find individual question wise analysis compared with the peers.

Test Solution

This report is to facilitate students in the learning process. This displays solutions for Selected questions asked in the exam so that they are aware of the correct answers as well as the right way of attempting questions.

Compare Yourself With Toppers

Benchmark your performance. Discover where you stand in relation to the toppers. This helps students to strive for excellence and better performance.

Difficulty Level Assessment Report

Find out how you performed on the parameter of three difficulty levels i.e. tough, medium and easy. The number of correct and incorrect attempts point out your strengths as well as the areas that needs to be worked upon. The uniqueness of this feature is that the student can compare his performance with toppers.

Test Performance Topic Wise Report

Find out your competent areas. Analyse what topics need to be worked upon and what topics fetch you advantage by reviewing the topic scores. Use them to excel in the exams.

Subject Wise Test Report

This feature provides subject wise analysis of the test. Here the assessment can be compared with the toppers with improvement tips and suggestions followed by subject or topic level analysis.

Compare Center/State Wise Performance

Yes! We know that you are always curious to know your centre/State wise performance report and it is now possible and made available on **dsat.allen.ac.in**

Graphical Test Report

This report displays your performance graph. The slope shows the performance gradient. The student will know whether the effort put in is sufficient or not.

This report will assist in planning and executing both. A thorough analysis of performance and bench-marking will help you in improving constantly and performing outstandingly in the final examinations. Our wishes are with you!
