SUBJECTS : Physics Chemistry Biology

INSTRUCTIONS

Total Question : **180**   TOTAL DURATION : **180 min.**

Please read the following instructions very carefully:

General Instructions

1. Total duration of examination is **180** minutes.
2. Paper Contain **180** question.
3. The Question Palette displayed on the right side of screen will show the status of each question using one of the following symbols:

- Attempted   ○ Unattempted
- Review   ● Skip

To answer the question, do the following:

4. The Mark for Review status for a question simply indicates that you would like to look at that question again. If a question is answered and click on **Review**, your answer for that question will be considered in the evaluation.

Navigating to a question

To answer a question, do the following:

5. Click on the question number in the Question Palette to go to that question directly.
6. Select an answer for a multiple choice type question. Use the virtual numeric keypad to enter a number as answer for a numerical type question.
7. Click on **Save & Next** to save your answer for the current question and then go to the next question.
8. You can view all the questions by clicking on the Question Paper button. Note that the options for multiple choice type questions will not be shown.

☐ I have read and understood the instructions. I agree that in case of not adhering to the exam instructions, I will be disqualified from giving the exam.
