Experience The Positivity

Dear Students & Parents,

Thank you for considering ALLEN, where your dreams and ambitions are our highest priorities.

Every year, millions of students across India share the dream of securing admission into the nation's most prestigious medical and engineering institutes such as AIIMS, Government Medical Colleges (GMCs), IITs, and NITs. While ambition ignites this journey, true success depends on the strength of the guidance, mentorship, and support system that walk alongside the student.

Since 1988, ALLEN has consistently delivered outstanding results in competitive examinations. We take immense pride in sharing that in 2024 & 2025; nearly 1 in every 4 IITians and in 2024, 1 in every 4 students selected in AIIMS were ALLENites. It reflects the robustness of our academic system and our unwavering commitment to excellence. Our success is rooted in a teaching methodology that supports students with diverse learning styles, enabling them to excel in Kota or any other city.

At ALLEN, we believe that every student learns differently. Some require step-by-step conceptual clarity, others benefit from visual explanations, while many need additional practice and reinforcement. Our system is designed to recognise these differences and help every student unlock their true potential.

Distance Learning provides access to wisdom when the source of information and the students are separated by time and distance or both. DLP provide extensive support in preparation of students for prestigious exams such as JEE (Advanced), JEE (Main), NEET (UG) and National/International Science & Maths Olympiads etc. It includes All India Test Series, comprehensive Study Material, Joint Packages, Recorded Video Lectures and Computer Based Test (CBT) series.

This brochure is designed to provide clarity about the examination structure, ALLEN's proven results, course details and the system that enables these achievements. We hope it helps you gain confidence in our methodology and supports you in making an informed decision about your academic future.

With best wishes,

ALLEN Family
