INDIAN MARITIME UNIVERSITY

(A Central University under the Ministry of Ports, Shipping, Waterways, Govt. of India)
Established by an Act of the Parliament in 2008

From the VC's DESK

Dr. Malini V Shankar,
IAS (Retd.)
Vice Chancellor

India stands today at a defining moment in its maritime journey as it is moving steadily towards becoming a strong and self-reliant maritime nation. Under the guidance of the **Maritime Amrit Kaal Vision (MAKV) 2047** and the roadmap laid down in the **Maritime India Vision (MIV) 2030**, the maritime sector has been identified as a key pillar of national growth, global trade, and sustainable development.

Under MAKV, the maritime sector has been identified as a powerful engine of economic growth, strategic strength, sustainability, and global leadership. With over 11098 km of coastline, a vast network of ports and inland waterways, and nearly 95% of India's trade by volume and 65% by value carried through sea routes, the maritime domain is central to India's future.

The Maritime India Vision (MIV) 2030 and **India's Maritime Vision** lay out a comprehensive roadmap for transforming the sector through modern port infrastructure, green and smart shipping, shipbuilding and ship recycling, coastal and inland water transport, maritime logistics, digitalisation, safety, and skilled manpower development. These national visions emphasize not only infrastructure and technology, but also the critical role of human capital in shaping a resilient and globally competitive maritime ecosystem.

The maritime sector today offers exciting and meaningful careers, both at sea and on shore. Opportunities exist in ship operations, ports, logistics, shipbuilding, maritime safety, environmental protection, research, and policy support. These careers provide global exposure, professional growth, and a chance to directly contribute to nation building.

At the heart of this transformation stands the Indian Maritime University (IMU) — India's premier institution dedicated exclusively to maritime education, training, research, and innovation. IMU plays a pivotal role in developing the skilled professionals required to realise national maritime goals. Through its undergraduate, postgraduate, doctoral and diploma programmes, IMU nurtures talent across core maritime disciplines such as nautical science, marine engineering, naval architecture, port and shipping management, logistics, maritime law, ocean engineering, maritime safety, and coastal studies.

IMU's academic framework is closely aligned with national priorities, industry requirements, and global standards. Our programmes integrate theoretical knowledge with hands-on training, advanced simulation, sea-time exposure, industry

partnerships, and research-driven learning. This ensures that graduates are not only employable, but also capable of leadership in emerging areas such as green shipping, autonomous vessels, smart ports, blue economy initiatives, offshore energy, maritime cyber security, and sustainable ocean resource management.

The opportunities in the maritime sector today are vast and diverse. Careers extend far beyond traditional seafaring roles to include ship design and construction, port operations, logistics and supply chain management, maritime governance, environmental protection, research and innovation, and international trade facilitation. For young minds seeking adventure, purpose, global exposure, and long-term career growth, the maritime sector offers a future like no other.

IMU campuses and its affiliated institutes across the country provide a vibrant academic environment that encourages discipline, innovation, professionalism, and global outlook. Our strong industry connect and placement record reflect the trust placed in IMU graduates by leading national and international maritime organisations.

As India advances towards MAKV-2047, the need for passionate, skilled, and forward-looking maritime professionals has never been greater. I invite the youth of the nation to be part of this transformative journey — to contribute to India's maritime resurgence, strengthen national capabilities, and build rewarding careers through education at the Indian Maritime University.

The oceans offer challenges, opportunities, and a future without boundaries. Let your journey begin at IMU.

1. INTRODUCTION

The Indian Maritime University (IMU), headquartered in Chennai, was established on 14th November 2008 as a teaching-cum-affiliating university under the aegis of the Ministry of Ports, Shipping, and Waterways Government of India. It was set up to promote maritime studies, training, research and extension with focus on emerging areas like oceanography, maritime history, maritime laws, maritime security, search and rescue, transportation of dangerous cargo, environmental studies and other related fields, and to achieve excellence in these areas. The oldest of the IMU Campuses i.e. IMU Navi Mumbai Campus was established in 1927 in its earliest avatar of TS Dufferin.

IMU has 6 Campuses at **Chennai, Kochi, Kolkata, Mumbai Port, Navi Mumbai and Visakhapatnam**.

- IMU conducts the Common Entrance Test (IMU-CET) every year on All India basis for admissions to its Programmes for IMU campuses, Affiliated Institutes and Non-Affiliated Institutes with IMU.
- As per DGS Training Circular 12 of 2020, dated 01.04.2020, all Maritime Training Institutes [MTIs] regulated by DG Shipping are required to admit candidates on the basis of IMU-CET ranking and as amended from time to time. IMU-CET is mandatory for admission to DGS approved Programmes.
- Hence Candidates seeking admission in Pre-Sea Courses Diploma in Nautical Science, B.Sc. (Nautical -Science) and B.E / B.Tech. (Marine Engineering) to any MTI (Govt. or Private- Affiliated to any University) are required to qualify in IMU-CET.

Note :

For admission to DGS approved programmes (B.Tech. (ME), B.Sc. (NS) & DNS) in IMU Campuses, affiliated / non-affiliated institutes, IMU-CET rank is compulsory, hence the candidates desirous of taking admissions to these programmes need to register in IMU-CET registration portal to take IMU-CET 2026 and secure ranks.

- After securing IMU-CET ranks, candidates need to approach affiliated/non-affiliated institutes for taking admissions as per their admission mechanism.
- Candidates desirous of taking admissions in IMU campuses only need to register in IMU's counselling portal which will be opened after release of IMU-CET rank list.
- Admissions to Diploma in Nautical Science programme in Affiliated Institutes are open only to 'sponsored candidates', i.e. candidates sponsored by Ship Owning or Managing Companies and who qualify in IMU's CET for UG programmes.

5. SCHOOL OF NAUTICAL STUDIES

The School of Nautical Studies at Indian Maritime University, offers a range of Undergraduate Programmes designed to prepare students for careers in the shipping industry. With a focus on safety, efficiency, and sustainability, the school offers hands-on learning experiences on board ships and in simulators, as well as access to facilities and resources such as classrooms, labs, and libraries.

The School of Nautical Studies offers the following residential UG Programmes :

- 3 year B.Sc. in Nautical Science
- 1 year Diploma in Nautical Science Leading to BSc (Applied Nautical Science)

B.Sc. Nautical Science

The Programme focuses on providing students with a comprehensive understanding of the fundamental principles of navigation, seamanship, ship stability, marine engineering, and maritime law.

- For more information on the Programme, please [Click Here](#)

Diploma In Nautical Science (DNS)

The Programme focuses on the fundamentals of marine navigation, seamanship, and safety management. Graduates are eligible to take the examinations required for obtaining a Certificate of Competency (CoC) as a Deck Officer in the merchant navy. This certificate is issued by the Directorate General of Shipping, Government of India, and is recognized internationally.

- For more information on the Programme, please [Click Here](#).

CAREER OPPORTUNITIES

Graduates can explore a variety of onshore and offshore opportunities in the maritime industry. Here are some of the career paths that graduates can pursue:

- Marine Operations Manager
- Marine Insurance Specialist
- Marine Terminal Manager
- Shipping Agent
- Deck Officer
- Marine Pilot
- Marine Technician

ADMISSIONS

Admissions to B.Sc. Nautical Science & DNS (Diploma In Nautical Science) will be conducted through IMU -CET which is mandatory.

ELIGIBILITY

3-Year B.Sc. (Nautical Science) – Residential		
(i)	Eligibility Criteria	(i) 10+2/equivalent (PCM Average-Minimum 60%) and minimum of 50% marks in English subject in 10th OR 12th Examination. (ii) Marital status – Unmarried. (iii) Valid IMU CET rank
(ii)	Age Criteria	Maximum age: For Male: General-25 years, OBC(NCL)-28 years, SC/ST-30 years For Female:General-27 years, OBC(NCL)-30 years, SC/ST-32 years. The reference date for calculation of the age will be from the date of commencement of the Academic Session (01.08.2026) .
(iii)	Relaxation	For SC/ST candidates: There will be a 5% relaxation in eligibility marks of PCM; however, it will not apply to English Marks. 6. SCHOOL OF MARINE ENGINEERING & TECHNOLOGY

Established as the Marine Engineering Research Institute (MERI), the School of Marine Engineering and Technology at Indian Maritime University offers Undergraduate and Postgraduate Programmes focused on providing students with skills and knowledge necessary to excel in marine engineering. With access to state-of-the-art facilities, experienced faculty members, and a range of Programmes, students can design and build ships, develop new marine technologies.

The School of Marine Engineering & Technology offers the following Programmes :

- 1) B.Tech. Marine Engineering (Residential)
- 2) M.Tech. Marine Technology (Non- Residential)
- 3) Post Graduate Diploma in Marine Engineering (Residential)

B.Tech. in Marine Engineering

- The Programme is structured to enable the students to solve the practical problems in the field of Marine Engineering. The students are given comprehensive knowledge on the theoretical and practical aspects in the wide range of subjects. This programme is designed in-line with the International Convention on Standards of Training, Certification and Watchkeeping (STCW) for Seafarers.
- For more information on the Programme , please Click [Here](#).

M.Tech. in Marine Technology

- The Programme focuses on a comprehensive understanding of the principles of marine engineering, naval architecture and management.
- For more information on the Programme , please Click [Here](#).

Post Graduate Diploma in Marine Engineering (PGDME)

- P.G Diploma in Marine Engineering is a 1- year Postgraduate level Programme that focuses on providing students with advanced knowledge and skills required to operate and maintain marine vessels.
- For more information on the Programme ,Please Click [Here](#).

CAREER OPPORTUNITIES

Graduates have various career opportunities in the maritime industry, both onshore and offshore. Some of the potential job roles for graduates are:

• Marine Engineer	• Marine Surveyor
• Project Manager	• Consultant
• Operations Manager	• Researcher

ADMISSIONS

- Admissions to B.Tech. and M.Tech. will be conducted through IMU -CET.
- **PGDME** - Admission will be based on merit of UG Marks. For PGDME admissions, candidates have to apply in response to separate notification by IMU Mumbai port campus.

7. SCHOOL OF NAVAL ARCHITECTURE AND OCEAN ENGINEERING

The School of Naval Architecture and Ocean Engineering at IMU is renowned for its commitment to producing highly skilled naval architects and engineers who play a vital role in the design, construction, and maintenance of various marine structures.

The School of Naval Architecture and Ocean Engineering offers the following Programmes :

- 1) B.Tech. Naval Architecture and Ocean Engineering(Residential)
- 2) B.Tech. Naval Architecture and Ship Building (Residential)
- 3) M.Tech. Naval Architecture and Ocean Engineering (Non-Residential)
- 4) M.Tech. Dredging and Harbour Engineering (Non-Residential)
- 5) M.Tech. Environmental Engineering (Non-Residential)

B.Tech. - Naval Architecture & Ocean Engineering

- The Programme focuses on the design, construction, operation, and maintenance of ships, offshore structures, and other marine vessels.
- For more information on the Programme, please [Click Here](#).

B.Tech. – Naval Architecture and Ship Building

- The Programme covers a broad range of topics, including marine design, shipbuilding, offshore structures, and hydrodynamics, among others. The Programme is structured to provide students with hands-on training in design and analysis, utilizing the latest software and technology.
- For more information on the Programme, please [Click Here](#).

M.Tech. - Naval Architecture and Ocean Engineering

- The Programme offers students a thorough understanding of the principles and applications of naval architecture, ocean engineering, and marine technology
- For more information on the Programme, please [Click Here](#).

M.Tech. - Dredging and Harbour Engineering

- The Programme focuses on the design, construction, and maintenance of dredging and harbour structure.

9. PHYSICAL FITNESS & MEDICAL STANDARDS

A) For Programmes: (i) DNS (ii) B.Sc. (Nautical Science), (iii) B.Tech. (Marine Engineering) & (iv) PGDME

- Candidates must be physically fit and should meet the medical requirements as specified by Director General of Shipping, Mumbai and are required to produce certificate of medical fitness from a Doctor approved by Director General of Shipping at the time of certificate verification. Details of physical fitness can be seen at :
<https://www.dgshipping.gov.in/Content/MaritimeHealthBranch.aspx>
- For the above 4 Marine Programmes, the Eye Sight requirements are specified by the Directorate General of Shipping. All the candidates must meet these requirements and will have to produce certificate of eye sight and hearing from a Doctor approved by Director General of Shipping, as prescribed in the Merchant Shipping (Medical Examination) Rules' 2000' as amended from time to time.
- The candidates are strongly advised to get themselves checked for physical & medical standards before applying and filling the preferences of courses as all DG approved courses require meeting fully the specified medical standards. In case of any candidate getting rejected on account of failing in medical standards, his fee will not be refunded. Hence it is advised that the candidate should get his/her medical standards tested first before applying for counselling where he/she needs to fill the course choices. Candidates not meeting medical standards should not elect these four Marine courses as they would eventually be rejected at a later stage. However his/her request for change of course may be accepted subject to availability of seats.
- List of approved doctors for issuing the certificate is available at :
<https://www.dgshipping.gov.in/Content/MaritimeHealthBranch.aspx>

B) For Programmes: Other than above four programmes:

- A physical fitness certificate issued by a Registered Medical Practitioner is required to be submitted at the time of certificate verification for admission, when selected.

Note: Candidates must satisfy themselves about their eligibility for admission. No Fee (non-refundable category) will be refunded on account of medical ineligibility.

- The first 3 IMU-CETs as mentioned above are scheduled to be conducted at the same time on the same date.
- Admission Prospectus for Research Programmes will be separately published on IMU Website.

Candidates desirous of admission to DNS – February 2027 batch are required to take the CET (IMU-CET 2026) compulsorily since there will not be any separate CET for February 2027 batch.

Negative marking will be followed and for every wrong answer 0.25 mark will be deducted.

Candidates desirous of taking admission to IMU programmes other than UG programmes expect BBA through any other eligible scores or through IMUCET ranks of year 2025, need not register in IMU-CET 2026 portal. However, candidates are to note that IMU-CET 2026 will have preference and hence candidates should opt for IMU-CET 2026, for having a better chance of securing seats.

IMU reserves the right to change the distribution, types, level of difficulty, etc. of the questions asked from time to time

Issue of Rank-Certificate: After conduct of IMU-CET, IMU will issue Rank Certificate to qualified candidates in IMU-CET, which is essential for admission to courses of IMU and its Affiliated Institutes and non Affiliated Institutes. The Rank Certificate is also essential to take admissions in the DGS-approved MTIs that are not affiliated to IMU for Programmes (B.Tech. (ME), B.Sc. (NS) & DNS).

Important Note:

IMU reserves the right to conduct the Common Entrance Test in Centre Based or Proctored mode or adopt any other suitable alternative scheme in lieu of CET / Entrance Exam to issue the Rank Certificate/Admissions. The dates mentioned in the schedules can be modified, if need arises due to any unforeseen or administrative reasons

Admission to Institutes Affiliated to IMU:

- For admission to IMU Affiliated Institutes, the admission procedure of that institute is to be followed after qualifying IMU-CET 2026 .The Rank Certificate is valid for this particular Academic session only.
- For DNS course, the CET – Rank Certificate will be valid for Feb 2027 batch also.
- There will be no separate CET for Feb 2027-DNS admission. Hence candidates desirous of getting admission in DNS Feb 2027 batch should mandatorily register for IMU-CET-2026.

Candidates who have registered online for admission to "UG Technical Programme" but also interested in the BBA Programme, will have to register separately for the BBA Programme and must pay the Application fee for registration for both as there are separate portals for both.

The IMU-CET is scheduled to be held in CBT (Computer Based Test) mode in one batch from 11 AM to 2 PM on 24.05.2026 (Sunday) (Changes in the date if any, will be notified on IMU's website).

Instructions for Choice of Centre (Exam City):

For the purpose of collecting info for the choice of examination centers,

There will be two distinct registration windows during IMU – CET from filling:

Window 1: Registration and State Selection.

Candidates will have the choice to choose 8 states to appear for CET.

Window 2 : City Selection — This window will go live for one week, 20 days prior to the examination date.

***Process Flow:**

Registration Page → Payment Gateway → State Selection → Application Form → City Selection (20 days prior to exam).

Note: For Candidates native to Andaman & Nicobar Islands or domiciled there for at least five years, a separate CET for UG (Technical Courses)only will be conducted by the Andaman& Nicobar Administration on behalf of IMU. However, the candidates from Andaman & Nicobar Islands desirous of joining M.Tech. / MBA / Research Programmes must register for IMU-CET.

There is no guarantee on the choice of the center. IMU reserves the right to allot a different city other than the city opted due to administrative reasons/unforeseen circumstances.

* Once the state preferences are given, candidates can complete the registration. Just 20 days prior to the examination date, candidates can again login and the city preference window will be opened. The city preference window, once opened, will allot the cities in the FCFS mode, i.e. the earlier it is logged in, the chances of getting the seats in the preferred city would be better. Accordingly, candidates are requested to login at the earliest convenience when city allotment window opens.

13. QUALIFYING EXAMINATIONS FOR ADMISSIONS TO UG PROGRAMMES
